

# Gift Aid

If you wish to make a donation from your income (not from fund raising events) to North Ayrshire Cancer Care and are a British taxpayer, your gift can be increased by about 25% without extra cost to you, through the government Gift Aid scheme. (Each £1.00 becomes £1.25).

## Gift Aid Declaration

I declare that I wish North Ayrshire Cancer Care to recover the tax paid by me on all donations that I make from now until further notice.
